Importance: High

A team was created in the Office of Patent Publication and tasked with ensuring that all allowed applications over 12 months from the allowance date that have not issued into patents are corrected/completed if necessary and returned to the patent printing process. The team needs your assistance with this application in order to fulfill the objective.

This application is an electronic application. The application was allowed on 04/06/2004 and the issue fee hasnot been paid in this application. The application was abandone and has been revived. The notice of allowance will be remailed to the attorney however to expedite this application please review the IDS submitted on 6/30/04. Please assist us in expediting this application in a timely manner.

Please "reply all" to this email with confirmation that you have taken action within 7 days of receiving this notification.

Thank you in advance for your assistance in this matter and timely handling of this application.
